

Digital Marketing Bootcamp

Drive Organic Growth, High-Converting PPC, and Analytics-Driven Campaigns

COURSE OVERVIEW

The Digital Marketing Bootcamp is a highly action-oriented curriculum designed for growth hackers, digital marketers, and brand managers. Learn to master organic SEO, paid social execution, multi-channel performance tracking, and CRO.

COURSE MODULES

Module 1: Search Engine Optimization (SEO) & Content Strategy

Learn to perform keyword research, optimize on-page content, and build high-quality backlink networks to rank your web pages organically.

Module 2: Paid Advertising (SEM, Social Ads, and PPC)

Master campaign setup in Google Ads and Meta Ads, learn bid management and audience targeting, and track key performance indicators to optimize ROAS.

Module 3: Social Media & Influencer Marketing

Build a powerful organic presence across Instagram, LinkedIn, and TikTok, learn how to run partnerships with key content creators, and manage viral campaigns.

Module 4: Web Analytics & Conversion Optimization (CRO)

Learn to configure Google Analytics 4 (GA4), set up event tracking, perform A/B tests, and utilize heatmaps to improve your landing page conversion rates.

Duration: 8 Weeks (Self-Paced)

Target Audience: Growth Marketers, Brand Managers, Ad Operators

Prerequisites: Marketing Basics & Basic HTML/CSS
